

BTW 4

ONE WAYS AND LANE CHANGES, PART 1

OBJECTIVE: The student will be able to drive in the correct lane, show proper tracking technique, and be able to determine which lane to turn into and the correct procedure for doing this. Students will define some inherent dangers while driving on one-way streets. Students will be able to perform a safe lane change.

TECHNIQUE:

- SMOG every time
- Turning into the closest lane
- Maintain lane position
- Check mirrors frequently
- Maintain safe speed in residential area
